## Ofsted Inspection

As you are aware, we had an Ofsted Inspection recently—the outcome of which was “*satisfactory*”. This means that we are doing everything we are meant to be, but there are areas that we need to improve on—something the staff are committed to doing. A full copy of the report should be with us in the next couple of weeks, if you want to view this please speak to a member of staff.

We will be holding an Open Meeting for all Committee members and parent/carers to attend once we have the full report.

## Education

Ofsted made recommendations based on the latest Government

initiative—“education in early years”. This will include number and letter recognition work with the children.

## Healthy Snacks

Ofsted recommended that the children no longer have sweet biscuits for snack, but have fresh fruit or veg. However, we feel that

one biscuit should be available to children if they would like one, as some children do not eat fruit/veg. This will be offered along with a healthy option of cheese & crackers, toast, yoghurts, fruit loaf.

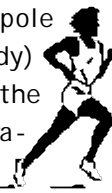

## Bunny Bounce

Don't forget to get Sponsorship for your child to take part in the 2 minute Bounce on 26th & 29th March—Please remember to collect the

money and return to Playgroup by **Friday 20th April latest.**

## Marathon Man

Chris Walpole (Penny's Daddy) is running in the London Marathon in April. His main Charity is Cancer Research, however—he has kindly offered to donate to Playgroup any Sponsorship he gets from within the Village. Sponsorship forms are available to sign at Playgroup, in the Sports & Social Club and John & Molly's shop.

## Opening Hours

Please remember our hours are 9am—12noon. **We cannot accept any children before 8.45am**—this is due to Insurance purposes. Please collect your child promptly or ring us if you are likely to be late.
