Welcome Back

Welcome back to all our families. It is wonderful to be back at school with the children after my Maternity Leave. Jack is now 10 months old and doing very well. Thank you for all the good wishes and your support for the school last year.

Welcome

We are delighted to welcome Mrs Keri Gibson to our staff team this term. She will be teaching in Class 3. We would also like to welcome all new families to our school and hope the children will be very happy during their time with us. A special hello to our new Reception children 😊

Any Architects out there?

Are any of our parents architects or ideas people regarding buildings? We are looking to update our final 'hotspot' in school- The Green room. We are looking for ideas for its use and anyone skilled or enthusiastic to help us.

Hard Work

Thank you to Mr Bygrave for his hard work and commitment over the summer. The Key Stage 2 toilets are fit for a king and the school is sparkling and bright.

We would also like to thank Baxter's Healthcare Ltd. for the community team building project carried out during the summer holidays. We are very grateful to them for painting the boundary fences and outdoor play equipment.

Tasters

The children in Key Stage 2 have been visited by Hotshots Basketball and Ronan McCloy with his Rock School. We hope they are inspired to pursue a new challenge this year.

Visitors

We are delighted to welcome the Mayor and Mayoress of Wellingborough to our assembly on Monday. The Mayor, Mr Tom Partridge-Underwood will be talking about the Badge of Office and the Mace Bearer will tell the history of the mace.

Extra-Curricular Clubs

It is so important for our children to explore new hobbies and interests and continue with old favourites. This terms Clubs List will be published shortly.

Helpers and Volunteers.

Would you like to be part of our school through volunteering to help in class? We welcome volunteers to help in their child's class or another part of school. Grandparents are also very welcome. Come to the office if you would like to work with us.

Parking and Traffic

I have received an email via the Village website pointing out some road safety problems around school. Can I remind parents that if you bring your children to school in a car, please avoid parking opposite the junction on the zig zag lines. Please think carefully and remember that we have the safety of all our children in mind.

Sponsored Jog - Wildlife Area

Thank you for all your support. A fantastic amount of £971.61 was raised. This will be put to good use as soon as repairs to the hole in the field have been made. A special thank you to Lewis Kingsbury who received a book token for raising £100. We will keep you posted on how the wildlife area develops.
