

# Local Chiropodist in Fund Raising Walk to Machu Picchu

Hi everyone,

In October 2009 I will be trekking the Inca Trail to raise money for Classic fm Music Makers. This worthwhile charity, set up in 2006, funds music therapy and education projects for children and adults across the UK. Projects that have been funded include:

- Music therapy for children with special needs and sensory impairments
- Performances in care homes for adults with dementia
- Rehabilitation schemes within prisons and young offenders institutions
- Music education projects in socially deprived primary schools
- Music activities in children's breakfast and after school clubs

In order to complete this project I aim to raise at least £3,250 and during the coming months I will be holding several fundraising events in which I hope the local community will become involved; so watch this space for further details.

In the meantime, if you wish to make a direct contribution, please go online to [www.justgiving.com/kathysindall](http://www.justgiving.com/kathysindall) where you can fill in my sponsor form. This way your donation can be gift aided. Alternatively you can contact me direct on 891588.

THANK YOU FOR YOUR SUPPORT
